No, roankun here.
I ~~would~~ have bookmarked the translation, but it was Pm, so I don't care >_>

Anyway, since Black Phoenix is a quality fag on reddit, we're gonna be purchasing the books for the series, though I doubt they'll have the oneshot in stock. We'll be returning parts 2 of the oneshot sometime in the next few weeks (or when I feel like it).

As for the series itself, it starts in around April or May, which is when I got my break. If I don't take any classes then, I'll probably be able to finish the entire series (only 7 volumes!) in a week or so. So yeah.

THE GREAT SWORDSMAN,
